Arena Polo Match played under lights in Mumbai

Polo after dark!

A game of polo on a cool night under the stars, fashion show, great music, cocktails and dinner. What more could one ask for?

The highlight of the Mumbai Polo Season (Feb 16-Mar 29, 2008) was an Arena Polo Match played at night under lights. Packed stands cheering their favourite team, great action, some of India's top polo players, celebrity guests...

At half past eight, the ball was thrown in to start the game and what followed was a night to remember...

Down Under in Mumbai

Nothing to do with cricket!

The month of March also witnessed an exciting match between India and the visiting Australian Polo Team.

The Australian team displayed great team work and sportsmanship on and off the field, and had a wonderful time at the other activities planned for them. I am sure they will be back to avenge their loss to Team India.

The Mumbai polo season witnessed some of the most competitive and close games we have ever seen. Right from the league matches to the finals of the tournaments. The winner of many a game were decided by 1/2 a goal. Thats as close as it gets! Not really... The other games ended in a draw... Now, thats close! Take a look at the results on the left side and visit each tournament by clicking on it... or go to www.indianpolo.com and click on the Mumbai polo season.

Capt. Vishal Chauhan, recently married, hails from the 61st Cavalry and is probably one of the most mentioned players this polo season. After a great season in New Delhi he once again impressed players and spectators alike with some great plays and spectacular goals. He played hard throughout the game no matter what the score... winning or losing... Hope to see him back in Mumbai next polo season...
